

LEGAL NOTICE
STATE OF INDIANA
INDIANA UTILITY REGULATORY COMMISSION

Indiana Michigan Power Company (I&M), an Indiana corporation, gives notice that on or before June 7, 2024, it will submit for approval under the Indiana Utility Regulatory Commission's thirty-day filing process a request for modification to its GoGreen Rider to add certain limitations on the availability of the GoGreen Onboard Program to I&M's customers. Data centers will be ineligible to apply for service under this Program and this Program will be available to customers with new loads or load increases up to 50 MW at one or more aggregated premises. I&M customers potentially affected by this filing are those that are data centers, have new loads above 50 MW, or load increases above 50 MW. A decision on the thirty-day filing should be received from the Indiana Utility Regulatory Commission on or before July 17, 2024.
