INDIANA UTILITY REGULATORY COMMISSION

Indiana Michigan Power Company (I&M), an Indiana corporation, gives notice that on or before April 15, 2025, it will submit for approval under the Indiana Utility Regulatory Commission's thirty-day filing process a request for approval of changes to its Demand-Side Management / Energy Efficiency Program Cost Rider to add a new group for new customers signing a demand contract with qualifying load who are eligible to opt out of the program immediately. The New Customer Opt Out group will be subject to the same tariff rates as the Pre-2024 Opt Out customers.
